

**Antoine Street, S.W.**

The first units of the Campau Commons housing project were opened on July 11, 1968. For a description of the project and the way it altered this neighborhood, see Commons Avenue, S.W.

**138 Antoine S.W.** This house was torn down about 1935. The street sign for Antoine & Agnew can be seen in front of the house. Note the end of the sidewalk.

Was the house removed because improper drainage was causing it to slide down the hill? None of these streets south of Franklin and west of Ionia were paved at the time. (Photo: Pitsch/Capitol collection, Series 60.)
