943 Sibley N.W. Sibley School. An elementary school was built in 2006.  
Capacity: 587. 2009-10 enrollment: 393.

947 Sibley N.W. Sibley Elementary School. Built in 1925, the building was  
replaced by a new elementary school which opened in the fall of 2006 at  
a cost of \$10.3 million. The old building featured decorative ceramic  
tiles which were reused around drinking fountains. Some of the  
stonework was recycled as gates for the athletic field.
